Invitation

It is with great pleasure that we invite you to come and join us in Barcelona for the 43rd Annual Scientific Meeting of the International Continence Society (ICS).

Barcelona is the capital and the most populous city of the Autonomous Community of Catalonia and the second largest city in Spain. It is the fourth most visited city in Europe and 11th in the world, and has consistently ranked as one of the best cities in Europe in terms of quality of life. Barcelona is recognised as a global city because of its importance in finance, commerce, media, entertainment, arts and international trade. Barcelona has a dynamic and open personality so typical of Mediterranean cities and is a perfect destination to relax, stroll around and enjoy. Barcelona has a fascinating history and is the cradle of many cultures and a witness to major transformations. The Mediterranean climate of Barcelona has rare days of extreme weather. In August the temperature ranges from a maximum of 29º C to a minimum of 21º C.

The Scientific Committee, chaired by Montserrat Espuña-Pons, is working hard in order to provide an excellent scientific programme which will meet the high standards of the ICS. Three days of the best original research will follow two days of educational programme.

The social programme will have a distinctly Spanish feel, making the most of local Catalonian culture and customs. The Welcome Reception and Annual Dinner will give you the opportunity to experience local tastes and meet up with old friends, as well making new acquaintances.

The annual meeting venue will be the International Convention Centre of Barcelona which is located close to the Olympic pier in one of the best areas in town with many hotels within walking distance.

I very much hope you will take this opportunity to visit Spain and I look forward to meeting you in Barcelona in August 2013.

Mission Statement

The International Continence Society is a registered charity with a global health focus which strives to improve the quality of life for people affected by urinary, bowel and pelvic floor disorders by advancing basic and clinical science through education, research, and advocacy.

ICS Annual Meetings

In 1971 the founder members decided that the society should meet annually with a different meeting chair and venue each year. The ICS Annual Meeting remains today, one of the most valued dates in the Urological, gynaecological, physiotherapy and nursing calendar attracting in excess of 3,000 delegates from all corners of the globe, and unique with its multi-disciplinary focus on Continence. The Annual Meeting consists of a 2-day Educational Programme followed by a 3-day Scientific Programme. Abstracts presented at the meeting are published in the Journal of Neurourology & Urodynamics (the official Journal of the ICS).

Keynote speakers, State of the Art Lectures, Point-Counterpoint Discussions and Live Surgery events combine to make the ICS Annual Meeting the premier scientific event for Continence professionals, surgeons, research scientists, bio-engineers and allied professions.
About the Annual Meeting

Who exhibits?
The ICS Annual Meeting is an ideal exhibiting opportunity for companies with an interest in the field of incontinence. We have exhibitors and sponsors returning to the meeting year on year to support the ICS in their mission to advance basic and clinical science through education, research and advocacy.

Why Should You Support ICS?

Sponsoring and exhibiting at the annual meeting gives your organisation the opportunity to:

- Demonstrate your company’s leadership in the field of continence
- Reach key thought leaders, academic and industry researchers, and clinicians
- Raise your company’s visibility
- Exhibit and distribute your marketing and promotional materials
- Convene a corporate symposium

Annual Meeting Objectives

- To bring together the world’s foremost scientific experts to catalyse and advance scientific knowledge on continence, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- To bring together community leaders, scientists, and policy leaders to promote and enhance programme collaborations to more effectively address regional, national and local responses to continence around the world and overcome barriers that limit access to prevention, care and services.
- To engage key, new and non-traditional stakeholders throughout the world in the development of and participation throughout the Meeting Programme.
- To illustrate the enormity of the human suffering and economic cost if society fails to act on the scientific opportunities now available to reverse the epidemic.

Educational sessions in the format of interactive workshops are incredibly popular and often book out. Scientific content/speakers and time slots are subject to the approval by the ICS. Exhibition prize draw

New for this year at the annual meeting we are introducing the “Exhibition prize draw”. Delegates are given a prize draw card in their delegate bag, and must visit participating booths and collect a stamp from each to be entered for a free prize draw. Participation as an exhibitor guarantees significant footfall to your stand. All participating exhibitors will be allocated a unique stamp to mark the entry cards of delegates attending their stand. Delegates return their card to the ICS stand and the prize draw will be made at the end of conference. The numbers of exhibitors participating in this scheme will be limited, and allocated on a first-come-first-served basis.

Exhibition prize draw sponsorship

(Prize for the total of € 2,000 is included)

Overall sponsorship of the above described draw gives you entry into the prize draw, and will make your organisation a mandatory stamp for the draw – this means ALL delegates wishing to enter the draw must visit your stand, as well as having you corporate logo to appear on the draw card which is given to every delegate.
